Gibsons WaterCare's Fish, Gibby, has been spreading the love this February.

February 12, 2014

Gibby the Fish, of Gibson's WaterCare, is going to be out in the community this entire year doing good deeds. 2014 will be devoted to good deeds, good deed partnerships, giveaways, free of charge water analysis, volunteering and other community involvement.

- Feb. 8th, 2014 - Gibby could be found at a Juvenile Arthritis event fundraiser.
- Feb. 12th 2014 - Gibby and the Gibson's gang, along with some wonderful volunteers, volunteered at Feed My People Food Bank.
- We also supported a Fundraising Derby for Payton's Pledge to Stop the Bullying, to promote change, educate, and advocate Anti-Bullying!

The mission of Gibson's WaterCare is to make water good for life. We also want to make life good for people and we hope that our efforts this year will make a positive impact on the community and beyond.
