Press Release

HELLENBRAND ORGANIZATIONAL CHANGES

WAUNAKEE, WI, MARCH 11, 2016:

Hellenbrand, Inc. of Waunakee, WI recently named Patrick Ford as General Manager, Business Operations. Pat will be responsible for all sales and marketing, lead the customer accounts area and function as general manager for our retail division.

Jim Donohoe has accepted the role of National Sales Manager. Jim will manage the regional sales team and will provide ongoing support to our current dealer base and also focus on new business development.

Hellenbrand Inc. is a progressive, innovative, family-owned business. With 49 years' experience providing quality water treatment systems to an independent national dealer base. We are experts at engineering and designing custom water treatment systems for city or well applications, as well as complex commercial/industrial applications. We are known for our superior technical and applications support. Our continued growth in the industry is a testament to our value-added customer-focused business model.
